TARP GRABBERS (BUTEZ)

Lets you add a grommet anywhere you need one. Up to 4 times stronger than brass grommets and used with heavier plastic sheeting (from 10 mil up to 20 mil thick).

BOOTIES

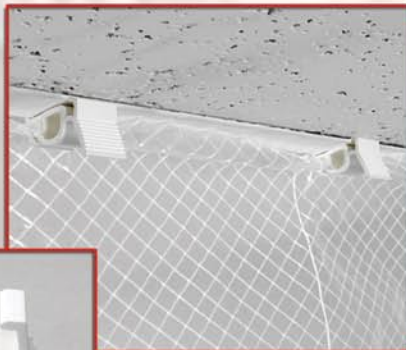

TIE DOWN BUTTON (BUTI)

Keeps plastic sheeting up to to 10 mils thick securely in place and reusable. Part #: BUTI.

**POLY
BARRIER
CLIP**

Hang plastic sheeting from suspended ceilings quickly and easily. Reusable Clips.

Part #: PBC50 - 50 Clips per bag,
PBC 600 - 600 Clips per case.

ZIP-UP

Self Adhesive-backed zipper. New higher quality designed zipper affixes to plastic to create any size opening. Installs in seconds and opens from both sides never coming in contact with the adhesive. Made in the USA.
