

OVERWINTER FILM

3 MIL OVERWINTER GREENHOUSE FILM

APPLICATIONS

- Overwinter Greenhouse

PRODUCT DESCRIPTION

Our 3 mil Overwinter Greenhouse Film is designed to protect your crops and plants over winter when the cold weather can cause frost and freeze damage. Our greenhouse film has up to 1 year of UV resistance, and it's significantly stronger than most traditional 4 year "co-poly" overwinter films. This overwintering protection product is available in clear or white color options, and in 5 mil thickness.

SIZE AND PACKAGING

Overwinter films are available in a wide selection of stock widths: 14.33', 16', 21', 24', 28.66', 32', 42', and 48'.

Custom sizes available.
