

# CUSTOM FABRICATION CAPABILITIES OVERVIEW

## Custom Solutions for Unique Projects

Americover is a source to many industries who require polyethylene and plastic sheeting products that meet specific building, environmental and public safety regulations. We work with you and our manufacturing network to create a solution for you and your customer's unique projects.

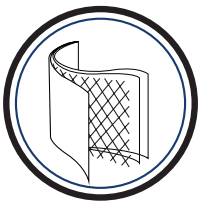

## How To Create Custom Solutions

The process to get started is easy. We identified the 3 key areas to help us create a product that meets your specific needs.

1. Determine materials needed
2. Determine how the solution needs to be configured
3. Provide any additional constraints or requirements

## 1. Determine Materials Needed

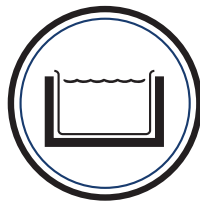

We can custom fabricate a variety of plastic sheeting materials

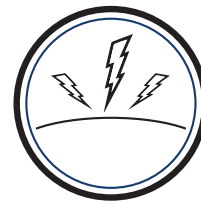

String Reinforced  
Plastic Sheeting

Self Adhesive  
Plastic Film

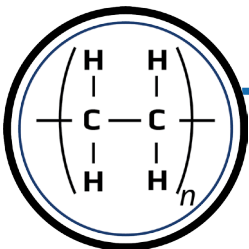

HDPE, LLDPE  
Heavy Duty Liners

Anti Static  
Plastic Sheeting

Fire Retardant  
Plastic Sheeting

Materials can be formulated with the following product features.

- ▶ UV Inhibitors
- ▶ Carbon Composite
- ▶ Anti Static
- ▶ Fire Retardancy
- ▶ Heat Resistance
- ▶ Adhesive Masking
- ▶ Antislip/Antiskid
- ▶ Biaxial Heat Shrinking
- ▶ Colorization

# CUSTOM FABRICATION CAPABILITIES OVERVIEW

## 2. Determine How The Solution Needs To Be Configured

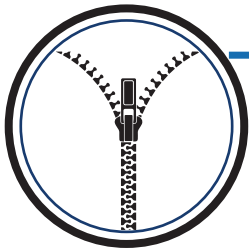

There are three basic elements to custom fabricating a material. Configurations are based on:

### Physical Properties

The following physical properties can be customized.

- ▶ Roll Size (Length and Width)
- ▶ Mil Thickness (1 mil to 100 mil)
- ▶ Perforations (Vertical and Horizontal)
- ▶ Regular or Reverse Wind
- ▶ Sewn Hems
- ▶ Heat Welded Seams

### Accessories

The material can be fabricated with the following accessories.

- ▶ Drawstrings
- ▶ Elastic Band
- ▶ Pipe Loops
- ▶ Webbing Loops
- ▶ Fastex Buckles
- ▶ Sewn Zippers
- ▶ Grommets
- ▶ D-Rings
- ▶ Internal Tab Seams

## 3. Provide any additional constraints or requirements

Custom fabrication configurations can be made to exact dimensions, sketches, designs, and specifications. All custom products require a minimum purchase and lead times vary depending on your needs.
