

Hard Surface Cover FR

Designed for Short and Long Term Use

Americover's 14 mil Fire Retardant Hard Surface Cover is a polyolefin film uniquely designed to protect hard surfaces from damage during refit, new build, construction, maintenance and repair for any length of time. The smooth bottom sides eliminate pattern imprinting problems, it is easy to cut and size around permanent objects, tapes easily in place

Easy to Install and Reusable

Save time and money during installation and cleanup

Anti-Slip Floor Protection

Passes ASTM C1028-96 for anti-slip and anti-skid protection

Fast Shipping

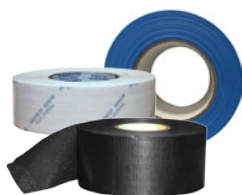

Lightweight rolls sized 36" x 75' are in stock and ready to ship to your jobsite

Ideal for a Variety of Surfaces

Medium to heavy duty protection on cured hardwood, stone, marble, carpet, vinyl, linoleum, tile and more.

Certified Fire Retardant Material

Hard Surface Cover #14HSCFR passes NFPA 701, Test 1 for applications requiring fire/flame retardant materials in gyms, hospitals, power plants, nuclear plants and many other locations. For your convenience, fire certifications are included with your order.
